Dear Ms.Fabienne,

Space had been provided to Outreach Media from the date of its formation during the year 1996 and movable assets had been purchased for Auroville 50th Anniversary under Government of India (GOI) grant by Auroville Foundation during 2018 and handed over to Outreach Media.

In this connection, I would like to request you to hand over all the movable and immovable, tangible and intangible assets including space, phone number, email, soft IP, archives, accounts maintained with Financial services etc. to Auroville Foundation by not later than Saturday (22.01.2022) as the same is required for Information and Public Relation activities of the Foundation.

Regards

P.R.Srinivasamurty
