Dear Friends at Youth center

I wrote this to AVnet and sharing my thoughts to you all via email as well.

Few days back, all of us received a notification from ATDC that they are going to dismantle the Youth Centre structures on the 10th May onwards. And, that day is tomorrow.

I am not sure if the YC has already cleared up the space or not. If not, tomorrow morning the JCBs may dismantle the structures in their own way. It would be a loss of materials, which is a collective resource.

If the YC wants help, we can gather together on site to help the YC dismantle the structures and save as much as possible.

This would be a positive step instead of protesting and obstructing ATDC's work tomorrow.

I propose, we meet at 5pm at YC and start helping the stewards there.

love and regards

Dear Uma,

We have not built any structures on the Crown Right of Way since the stay order published in December. This was confirmed by Anbu (ATDC) and Suryan (Council) after a visit to the Youth Center and communicated in a meeting between the Youth Center Team and members of the ATDC/L'avenir d'Auroville.

Please do not come to the Youth Center to dismantle anything.

You're welcome to come and share in this community space, not destroy it.

Best,

The Youth Center Team

Dear Uma,
Thanks for your email.

This is to confirm that I did attend the meeting at YC with suryan last Saturday 7th. 2022. I confirmed that there are no new permanent structure on the crown road itself.

However, we also informed yc that the present drive is to dismantle the longtime encroachments, which do not have proper noc. We the ATDC informed them clearly that all illegal structures at yc would be dismantled by the avf on the mentioned date.

Best Regards
Anbu
