Dear Unity Pavilion team,

Please find below a poster of a program at Unity Pavilion that was brought to our notice. As you are aware this is an illegal representation and not the recognised GB body gazetted with GoI, and not appointed with a valid Office Order. As such, any entity of the Auroville Foundation like Unity Pavilion hosting and promoting such an illegal group will be liable for prosecution too.

Please cancel this program or ask them to have the program NOT representing/using the name of TDC and to remove all fake posters/media publications (including all online announcements and coverage, for instance <https://www.youtube.com/watch?v=WwY-9M1nhJM>) with TDC on it.

Thank you for your understanding,
L'avenir d'Auroville / ATDC members
